## PETITION FOR EXTENSION OF TIME under Rule 136(a)

Hon. Commissioner of Patents and Trademarks Washington, D. C. 20231

Sir:

Applicant asks that the time for filing a response to the pending Official Action dated October 27, 1999, be extended for three months, up to and including April 27.

This is being submitted with a CPA application, and the check enclosed includes the net amount for a three-month time extension, namely \$870 - \$110 previously paid on February 28 for a one-month extension = \$760. The amendment filed February 28 with that extension was not entered, therefore we are filing a CPA application and asking that that amendment be now entered.

If any further fee (other than an issue fee) is required or any refund accrues, anytime during prosecution of this application, you are hereby authorized to proceed, without specific authorization, to charge such fee or credit such refund to our deposit account 12-1639.

Respectfully submitted,
